# ABOUT US

## OUR VISION & MISSION

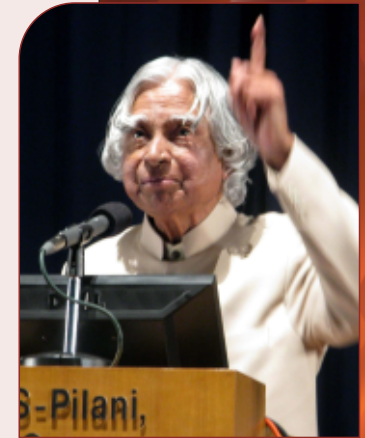

### MISSION

Knowledge creation by engaging in cutting-edge research and to promote academic growth based on an informed perception of regional, Indian and global needs to develop human potential with skills to its fullest extent so that intellectually capable future leaders can emerge in a range of profession. "To impart to value added education of global standards to help the student work for competitive excellence and financial freedom."

Dr. A. P. J. Abdul Kalam University is located at lush green area on the new Indore - Dewas bypass road. It is about 10 km away from Indore railway station. It has a large campus and one of the best infrastructures in state. All the department heads and faculty members are highly experienced & work with zeal to impart education and achieve the goal of providing excellent career and values to the student so as to become responsible citizen.

The Society (Ayushmati Education and Social Society) was established in 2004 under the flagship of Central India Institute of Technology ever since its inception, a strong commitment to

excellence in teaching and research has made the group a role-model and path-setter for other institution. The University supports excellence and innovation in academic programmes, promotes excellence in research, scholarship and teaching. The University is committed to attract and support the best students and faculty, who excel at teaching and research..

"One Best Book is equal to hundred good friends but one good friend is equal to a library."

Dr. A.P.J. Abdul Kalam

### VISION

Ensure the footprints of global leaders, escalate the prosperity of the nation in holistic education, research, innovation and economy embedded with traditional values, inseminating knowledge globally in pursuit of sustainable national growth having at the epicenter 'the Excellency' in all fields of education.

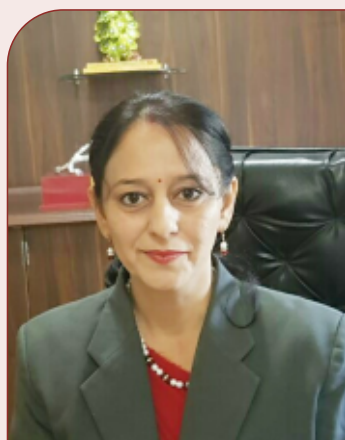

# MESSAGE

## CHANCELLOR MESSAGE

Dr. A.P.J. Abdul Kalam University has been launched with a vision to transform its students into competent, inspired and responsible professionals. The University has mission to provide quality education in most of the disciplines of Engineering, Applied Science, Management, Health sciences, Education, Law and Humanities & Social Sciences up to the Post-graduate level including M.Phil and Ph.D. The University aims to produce talented professionals with higher education and skill to serve mankind. I have always dreamt of empowering the society with enlightened, skillful, and socially relevant citizens, which can be possible only by educating the masses. I extend my best wishes to all the aspirants and assure that under the dedicated faculty of this prestigious university they shall be able to take full advantage of opportunities offered to them.

**Dr. Shruti Kumari**  
Chancellor

**Dr. Deepika Pathak**  
Vice Chancellor

## VICE CHANCELLOR MESSAGE

Progressively evolving globalised community and the dynamic nature of contemporary competitive environment requires competent professionals who are capable of challenging the status quo. The demand is for shift in the role of educational institution from centre of knowledge creation to an effective medium of knowledge application, research extension and skill development.

We prepare our students in such a way that they are industry ready from day one. Workshops, training sessions, seminars, expert lectures and industry visits will be organized by us very effectively in order to give a real industry exposure to the students including student exchange program from India and abroad. We prepare our students in such a way that they are industry ready from day one.

At our university we are committed to provide our students a quality education and aliveness and edify from the eclipse of illiteracy by providing more eventualities for unfulfilled dreams.

# ADMINISTRATION

We prepare our students in such a way that they are industry ready from day one. Workshops , training sessions, seminars, expert lectures and industry visits will be organized by us very effectively in order to give a real industry exposure to the students including student exchange program from India and abroad.

**Dr. Rakesh Kumar Jatav**  
Registrar

It is indeed a matter of great satisfaction to invite you, on behalf of all us here at the University, to enroll yourself in any Program of Study of your choice at the University. Should you have any further clarification, please feel free to contact us. May we take this opportunity to wish you success in all your academic endeavours .

**Dr. Sanjay S. Bhadoria**  
Deputy Registrar

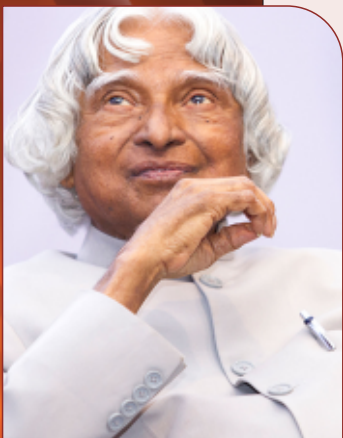

Dear Students,

Welcome to Dr. A.P.J. Abdul Kalam University I am sure that you will devote your time into academics and gain lot of experiences during your stay at the university and grow as an individual. As a member of the Institution community and the Dean Students Welfare, I encourage you to participate in your academic programmes whole heartedly and also develop your skills and confidence by participating in various activities.

**Dr. Surendra Kumar Nirala**  
Dean Student Welfare

# ADMINISTRATION

“To succeed in  
your mission,  
you must have single  
minded devotion to  
your goal.”

Dr. A.P.J. Abdul Kalam

# ENGINEERING

## COLLEGE OF ENGINEERING

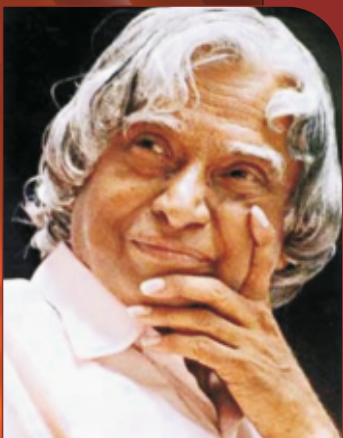

Dear Student,

I, on behalf of COE, take great pride in welcoming you to our campus. We believe in fostering a climate that encourages learning and personal growth.

We value a commitment to excellence in all we do. This is the place where you can find the college of your dreams. The aim of education is to teach us how to think, then what to think, improve our mind, think for ourselves, and not just fill our brains. Education makes a man a right thinker and a correct decision maker.

# ENGINEERING PROGRAMS

## Mechanical Engineering

The objective of the undergraduate and postgraduate program of Mechanical Engineering is to provide the opportunity for the students to develop a firm foundation in mathematics, science, and design methodology applied to the disciplines of mechanical engineering.

---

## Electrical & Electronics Engineering

The mission of the Department of Electrical Engineering is to offer an EE undergraduate and postgraduate program that augments the liberal education expected of all Indus undergraduates and imparts a basic understanding of Electrical and Electronics engineering built on a foundation of physical science, mathematics, computing, and technology.

---

## Electronics & Communication Engineering

To provide training in electronics and communication engineering for undergraduate and postgraduate who wish to augment their analytical skills and knowledge of communication systems Electronics devices, software engineering, data communications and digital electronics.

---

## Computer Science & Engineering/ IT

Job prospects will be excellent, as computer software engineers are expected to be among the fastest-growing occupations. Employment growth will result as businesses and other organizations adopt and integrate new technologies and seek to maximize the efficiency of their computer systems.

---

## Civil Engineering

Our objective to provide value based education in engineering technology and management. Inculcate dedication, hard work, sincerity and ethics in building up the overall professional personality of our students and faculty.

# ENGINEERING

## MANAGEMENT & COMPUTER APPLICATION

### MBA PROGRAM

The Master of Business Administration (MBA) is an internationally-recognized degree designed to develop the skills required for careers in business and management. The value of the MBA, however, is not limited strictly to the business world. An MBA can also be useful for those pursuing a managerial career in the public sector, government, private industry, and other areas.

Through the MBA programs, students can pursue business education and learn skills that will help them pursue various management and administrative roles within a company. Employers may seek business administration graduates for a broad range of positions in different areas.

### MCA PROGRAM

This course aims at fulfilling the industry's growing need for the competent software professionals. The course content is a perfect blend of computer science, computer oriented mathematics and management science. The sixth semester of MCA is exclusively dedicated for industrial project work. Along with the theoretical inputs, emphasis is given on the practical training to facilitate the students to work in a simulated environment.

Eminent IT Professionals and Academicians deliver lectures in guest lecture sessions and seminars are also held on the present status and scenario of the Itworld.

# COLLEGE OF PROFESSIONAL STUDIES

# PROFESSIONAL STUDIES

## PRINCIPAL'S MESSAGE :

It is the matter of great pleasure and pride for me to welcome our new students. Since you are going to be part of this prestigious educational institution it would be our end eavor to avail every opportunity to give a glimpse of the growth and achievements of the academic, social, sports activities to our day to day life in the institution. Iam sure that you would agree that an educational institution should be judged by the improvement in the academic performance its students achieve from incoming to outgoing level. We have high class infrastructure with well equipped Computer/IT Laboratories, Class Rooms, Auditorium, Seminar Hall, modernized Library, Sports and NSS. We are proud of strong team of meticulously trained, dedicated and committed faculty and staff and most advanced teaching aids. Our College has been a hub of many activities of excellence and achievements both by students and staff.

### GRADUATION COURSES

- B.Ed.
- B. Sc (Agriculture)
- B. Sc.
- B. Com • BA
- B.B.A. • B.C.A.
- BALLB • LLB

### POST GRADUATE COURSES

- M.Sc. (Physics, Chemistry, Maths, Botany)
- M. Com
- MA
- PGDCA

# PHARMACY

## COLLEGE OF PHARMACY

- D. Pharma
- B. Pharma
- M. Pharma (Pharmaceutics)
- M. Pharma (Pharmacology)

Present era of globalization is characterized by constant change. To live and work successfully in the present era we should be able to interact with organizations which constantly adopt innovation. At COP, we are committed to provide and continually improve the healthy learning environment and supporting faculties to achieve academic excellence.

College of Pharmacy is a Pioneer center for quality education and research in central India. Institute is highly enriched with all the latest equipment, Instrument & facilities for the providing exemplary Pharmacy education, training & research. We are committed to inculcate element of confidence, competence & concept of excellence & entrepreneurship in students.

# PHARMACY

## SCHOOL OF PHARMACY

- D. Pharma
- B. Pharma
- M. Pharma (Pharmaceutics)
- M. Pharma (Quality Assurance)

It is a privilege to be the Principal of School of Pharmacy (SOP) and lead such a dedicated and committed team of teachers and learners. The continued partnership with the college, parents and community will ensure our students are afforded every opportunity as they reach their potential and become successful, responsible citizens. We are proud of our record of academic, sporting and cultural successes but will always continue to improve.

## INSTITUTE OF PHARMACY

- B. Pharma
- M. Pharma (Pharmaceutics)

It gives me an immense pleasure and delight to pen my message for the Institute of Pharmacy which is committed to impart quality education. Our objective is to produce professionally competent and technically highly skilled health care professionals.

The world is changing very fast with globalization. In this changing scenario, the onus lies on us to produce a highly qualified & competent industrial/clinical pharmacist having professional honesty and integrity.

## INSTITUTE OF PHARMACY DIPLOMA

- D. Pharma

I am pleased to welcome you to the Institute of Pharmacy Diploma, The main goal of pharmaceutical education is to equip the budding pharmacist with the skills to play a key role in his chosen path. The students are instilled with the capability to respond to increasingly complex pharmaceutical challenges and sports and cultural talents are nurtured along with intellectual development. Our goals are as simple as they are far reaching - to offer the best, to reach as many and as high as we can in the fulfillment of our mission; we nurture our students by providing professional, competitive, Industry relevant education and add value. The continued partnership with the college, parents and community will ensure our students are afforded every opportunity as they reach their potential and become successful, responsible citizens. We are proud of our record of academic, sporting and cultural successes but will always continue to improve.

# LABORATORIES

## MEDICINAL HERB GARDEN

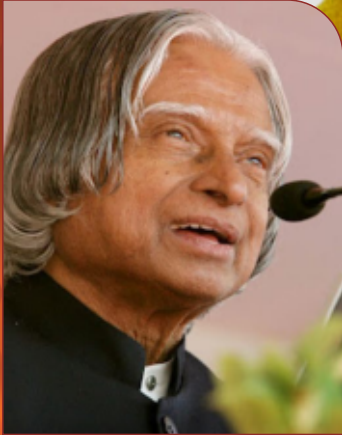

## SEMINAR HALL

# R.N. KAPOOR MEMORIAL HOMOEOPATHIC HOSPITAL & MEDICAL COLLEGE

## PRINCIPAL'S MESSAGE :

R.N. Kapoor Memorial Homoeopathic Hospital & Medical College, Indore is established by one of the pioneer educational society "Ayushmati Education & Social Society" Bhopal (M.P.) Hon'ble Chairman Mrs. Janak Kapoor and Board of Directors of the society are committed to provide quality Medical education & treatment to the people at large through the society. This Homoeopathic Medical College is situated near Arandia, Indore, which is pollution free and lush green area of the Indore city. The college building is well designed and accommodated well equipped Hospital. The college hospital is provided with necessary departments like O.P.D.s, I.P.D.wards, Labour room, well equipped Operation Theater, Recovery Room, X-Ray unit, Clinical Pathology Laboratory, Physiotherapy, Yoga & Rehabilitation facilities. The college is having excellent infrastructural facilities as specified by the norms of the Central Council of Homoeopathy, New Delhi. The college is having spacious and well equipped Laboratories, Dissection Hall, Class rooms, Seminar Hall with audio visual facilities, State of Art Library is provided, with separate reading halls for staff & students.

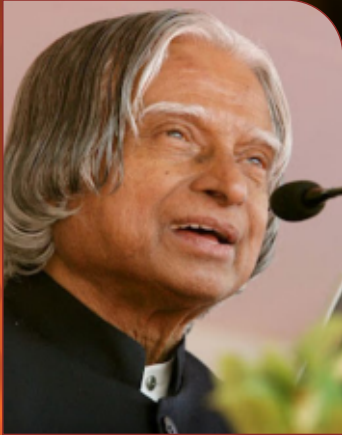

# PRACTICAL LABS

# R.N. KAPOOR MEMORIAL AYURVEDIC MEDICAL COLLEGE & HOSPITAL

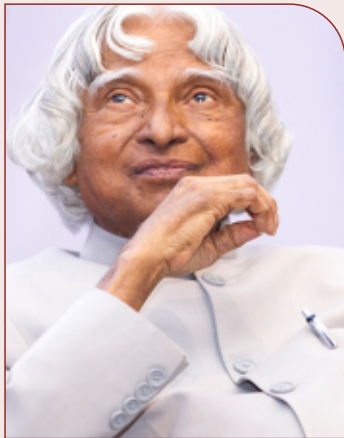

It is an immense pleasure in forwarding the information of our college . It is our endeavor to provide best Ayurved Education college and changing as an established proven leader in the field of Medical education by maintaining high standards and values As Principal I am hugely impressed by the commitment of the R. N. Kapoor Memorial Ayurvedic Medical College and Hospital and the staff for the providing excellent all-round education for our students in our state of the art facilities.

# TRAINING AND PLACEMENT CELL

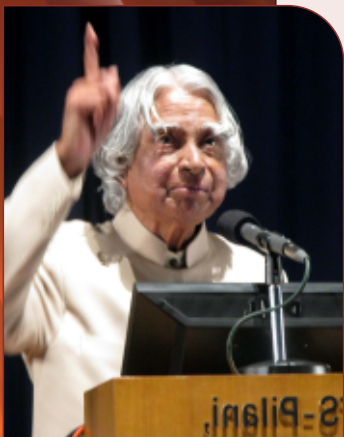

Training and Placement Cell is an integral part of the institute. The institute has provided complete infrastructure for effective functioning of the cell. The cell facilitates the process of placement of students besides collaborating with leading organizations and institutes in setting up of internship and training program of students.

The cell keeps on inviting various companies and reputed firms for campus recruitment. It modules the engineering grades to young corporals. The cell is sensitized to function all through the year towards generating placement and training opportunities for the students.

Training and Placement Officer

# COMMITTEE DETAILS

## ANTI-RAGGING COMMITTEE

Committee has taken steps and allotted duties to all the staff members at almost all areas in the college (i.e. canteen, parking places, different blocks, play grounds etc). Institution shall also constitute a smaller body to be known as the Anti-Ragging Squad to be nominated by the Head of the Institution with such representation as may be considered necessary for maintaining vigil, oversight and patrolling functions and shall remain mobile, alert and active at all times.

## WOMEN'S GRIEVANCE REDRESSAL

For this Woman Grievance Redressal Cell is established in the college. The cell is responsible for looking into any complaints filed by students & Staff about woman grievances at the college.

## STUDENT GRIEVANCE CELL

The function of the cell is to look into the complaints lodged by any student, and judge its merit. The Grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the department members in person, or in consultation with the officer in-charge student's Grievance cell.

## OBC & MINORITY CELL

OBC and Minority cell is committed to provide an environment that support diversity and respects everyone regardless of color, religious belief or cultures and also commits to ensuring protection of everyone including minorities and acting as per the provisions of constitution of India in such matters.

## SC & ST GRIEVANCE CELL

The main objective of the cell is to Function as a Grievances Redressal Cell for the grievances of SC/ST student and employees and render them necessary help in solving their academic as well as administrative problems.

## NSS

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. NSS established in 2016 at university campus

# National Service Scheme (NSS)

# FACILITIES

## Punjab National Bank & ATM

The Branch of Punjab National Bank has operating in the campus of university, Indore, We are happy that this branch has become full fledged unit which of the greatest satisfaction to our college. The Bank is located at the ground floor near gate of the campus.

## Security

The University provides a team of trained Security Officers Officers, led by the head of security and his deputy. The Security staff undertake a number of duties, working shifts to cover 24 hours a day, 7 days a week, 365 days a year. Responsibilities include CCTV and alarm surveillance, visible patrolling, investigative processes and the provision of security advice throughout the University.

A Fleet of 25 buses ply from campus to each and every corner of the Indore, Dewas, Mhow, Pithampur and surrounding areas. Buses are operated regularly on all working days of the college with convenient timings. In addition to daily trips, and Staff. The Bus Facility is monitored by the College Bus Committee, which consists of Students, Staff and Transport Officers.

## Transport

## ADMISSION

COURSES	DURATION	ELIGIBILITY CRITERIA
B.E.	4 year	JEE and/or Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/Biotechnology/Technical vocational subject. Obtained at least 45% (40% in case of candidate belonging to reserved category) marks in the above subjects taken together.
B.Pharm	4 year for B.Pharm	Passed 10+2 examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics/Biotechnology/Biology.
D.Pharm	2 year for D.Pharm	
M.Pharm	2 year	A candidate seeking admission to M.Pharm courses should be a Graduate in Pharmacy with at least 55% (50% in case of candidate belonging to reserved category) marks and preference for GPAT. Bachelors degree of minimum of four years duration after passing Higher Secondary 12th of (10+2) system or equivalent, should have been obtained from any AICTE approved institution or Indian University or from a foreign University recognized by Association of Indian Universities (AIU) or Institute recognized by the AIU as equivalent thereto.
M.Tech	2 year	A candidate seeking admission to M.E. / M.Tech courses should be a Graduate in relevant Engg. / Technology discipline with at least 50% (45% in case of candidate belonging to reserved category) marks and preference for GATE. Whereas candidate seeking admission to M.Pharm courses should be a Graduate in Pharmacy with at least 55% (50% in case of candidate belonging to reserved category) marks and preference for GPAT. Bachelors degree of minimum of four years duration after passing Higher Secondary 12th of (10+2) system or equivalent, should have been obtained from any AICTE approved institution or Indian University or from a foreign University recognized by Association of Indian Universities (AIU) or Institute recognized by the AIU as equivalent thereto.
MBA	2 year	A candidate seeking admission to MBA and Allied Courses should be a Graduate with at least 50% marks and 45% marks in case of SC/ST/OBC (excluding Creamy Layer) category of Madhya Pradesh in aggregate of any UGC/AICTE approved Indian University or from a foreign University recognized by Association of Indian Universities (AIU) institutes recognized by the concerned University as equivalent thereto. The Bachelor's degree must be of minimum three years duration after passing Higher Secondary (10+2) examination of (10+2) system or equivalent.
MCA	2 year	A candidate seeking admission to MCA courses should be a Graduate in BE (Computer Science Engg.)/BCA/ BSc/ BCOM/BA with at least 50% marks and 45% marks in case of SC/ ST/ OBC (excluding Creamy Layer) category of Madhya Pradesh in aggregate of any UGC/AICTE approved Indian University or from a foreign University recognized by Association of Indian Universities (AIU) institutes recognized by the concerned University as equivalent thereto. The Bachelor's degree must be of minimum three years duration with Mathematics at (10+2) level or at Graduation .
BCA	3 year	Passed 10+2 in Maths subject with for all Categories.
B.E./ B.Pharm (Lateral Entry)	3 year	For B.E. (Direct Second Year) Passed Diploma in Engineering from an AICTE approved Institution or B.Sc. degree from a recognized University as defined by UGC with at least 45% for General Category and 40% for SC/ ST/ OBC (excluding Creamy Layer) categories, with mathematics as a subject, For B.Pharm (Direct Second Year) Passed Diploma in Pharmacy with at least 45% for General Category and 40% for SC/ ST/ OBC (excluding Creamy Layer) categories.
Diploma in Engineering (Polytechnic)	3 year	A Candidate seeking admission to polytechnic course should be passed in 10th with Science and Mathematics at least 35% marks for all categories.
B.A/ B.Com/ BBA/B.Sc.	3 year	Passed 10+2 in any subject for All categories.
B.Sc.(Ag)	4 year	Passed 10+2 in PCM /PCB /AG for All categories.

# ADMISSION

M.A. M.Com M.Sc.	2 year	Passed Graduation in relevant stream.
B.Ed.	2 Year	Candidates with at least 50% marks either in Bachelor degree and /or in Master degree. B.E. with specialization in Science and Maths with 55%. The reservation and relaxation for SC/ST/PWD and other categories shall be as per State Government.
PGDCA	1 year	Passed Graduation in Any Subject with 45% for General and 40% SC/ ST/ OBC (excluding Creamy Layer) categories.
Diploma in Engineering (Polytechnic) (Lateral Entry)	2 year	A Candidate seeking admission to polytechnic Lateral Entry course should be passed in 12th with Physics, Chemistry and Mathematics or Passed ITI in relevant stream for all categories. The duration of ITI should be Two Years.
Diploma in Engineering (Polytechnic) Part Time	4 year	Passed 10th with Science and Mathematics for all categories. Applicants have 2 years working experience and distance of working place within 50 km from university campus.
BHMS	4.5 year	NEET qualified & Passed 10+2 examination with Physics, Chemistry and Biology as compulsory subjects along with passed in English subject. Obtained at least 50% (45% in case of candidate belonging to reserved category) marks in the above subjects taken together.
BAMS	4.5 year	NEET qualified & Passed 10+2 examination with Physics, Chemistry and Biology as compulsory subjects along with passed in English subject. Obtained at least 50% (45% in case of candidate belonging to reserved category) marks in the above subjects taken together.
B.A. LL.B.	5 Years	Passed 10+2 in any subject for All categories. The (minimum) percentage requirement for Gen category candidates 45% / OBC category candidates 42% for SC/ST category 40%
LL.B.	3 Years	Graduation in any discipline. The (minimum) percentage requirement for Gen category candidates 45% / OBC category candidates 42% for SC/ST category 40%
